

## SVEF Supporters Shop... Students Win!

There is such a thing as FREE Money for Education. When you link your grocery cards to Saddleback Valley Educational Foundation, local grocery stores will donate from 1 – 4 % of your purchases every time you shop. And there's no cost to you.

How can you help? Just list your Grocery cards with this form (or register online at <http://www.svefrebates.com>). We need the Club Card Number from the front or back of the card. Then, just swipe your card or use your phone number when you shop. Make sure the phone number you use at checkout is current (no old 714 prefixes) and is up to date with Ralphs, Vons and Albertson's.

- Only the new Ralphs Rewards Card will support SVEF as of 9/01/08. Please list your new Rewards card below or online.
- If you already linked your Albertsons or Vons card to SVEF, you do not need to re-link.
- No limit to the amount SVEF can earn! Ask friends and family to link their cards, too!
