

Save Our Saddleback! (SOS) Just \$1 a Day!

Dear Friend of Saddleback Valley Schools,

Welcome to the 2011-2012 school year. Last school year, many of the parents in the Saddleback District responded generously by donating money to our **SOS campaign**. Over \$30,000 was raised and 100% went back to their designated school of choice. These monies help support much needed school and technology supplies.

Over the last few years, Saddleback Valley Unified School District experienced some of the largest budget cuts in our history resulting in increased classroom sizes, health aides being cut and school libraries closed. In addition, assistant coaches and school counselors, as well as essential reading assistance programs have already been eliminated. These are just some of the drastic cuts that have already been made.

Help Save Our Saddleback! If every parent contributed just a \$1 a day per child for the 2011/2012 school year, we could raise close to \$6 million for our students! Considering the impact the cuts have had in our children's education, a \$1 a day is a very small price!

The money raised this year will be used towards restoring many of the high-quality programs and services our students desperately need and deserve.

Please give the most generous gift you can TODAY!

Sincerely,

Pamela Klister, President
Saddleback Valley Education Foundation
